

Dear Licensed Conveyancer

**A GREAT CONFERENCE TAILORED FOR YOU – AND 6 CPD POINTS
TUESDAY 22ND NOVEMBER**

With the challenges now facing the Licensed Conveyancer profession, including the provisions of the Legal Services Act and the move towards restricted lenders panels of conveyancers, we are delighted to advise you that the Society for Licensed Conveyancers is holding a conference on 22nd November, in Derby, that will bring you up to date on these and many other issues. Our speakers will comprise key industry ‘movers and shakers’.

We have put together a compelling agenda covering topics that are of vital interest for the profession at the present time. Jennifer Bourne from the Council of Mortgage Lenders will give a presentation on mortgage fraud and Paul Broadhead from the Building Societies Association will give an update on the subject of Lenders Panels. Victor Olowe, CEO of the Council of Licensed Conveyancers will talk about future regulation in light of the provisions of the Legal Services Act and Alex Roy from the Legal Services Board present on Alternative Business Structures.

Given the current challenges and opportunities for the profession “Embracing the Future of Conveyancing” is a conference not to be missed.

There will be a detailed presentation on the SLC solution for Lenders Panels, as well as a series of updates on what is new in the world of conveyancing.

We are also delighted to confirm that each delegate will receive a Certificate of Attendance, shortly after the conference, confirming the receipt of 6 CPD points.

The Conference is just one element in the renaissance of the SLC. Against an unprecedented backdrop of regulatory and market changes there has never been a greater need for a strong professional body to represent Licensed Conveyancers. Besides being in a position to respond to market challenges and set relevant market agendas on behalf of its members, the Society aims to become a key stakeholder in the home buying and selling process. You can have a say in this, as well as enjoy the benefits of belonging to a strong and vibrant professional body, simply by rejoining the Society.

Entrance to the conference will be £ 55, but if you enrol before November this will be reduced to £50. If you elect to join the SLC before the conference then entry to the conference will be FREE to you.
